The Pepenau Staff Is Proud To Present

Mr. James Butts

The PEPENAU Staff has chosen Mr. Butts, a special person who has demonstrated his services to the school and student body. To us he's offered guidance, leadership, and most of all friendship. Without his help the quality of the past yearbooks would not have been possible and the future's as well. After three years teaching English and eight years as a Media Center Specialist, we wish to show our appreciation by presenting him with this honor.

HAPPINESS

The happiness we give to others
 Makes us happier too, we find,
 Just as friendship returns to the friendly,
 And kindness comes back to the kind!

Marching Indians Play For President Ford

Canal Winchester High School's Marching Band was invited by the White House to play for President Ford during his visit to Columbus during the final days of May. It was a great occasion and honor for the school and each band member.

Help Yourself To Happiness

Everybody, everywhere
seeks happiness, it's true,
But finding it and keeping it
seems difficult to do,
Difficult because we think
that happiness is found
Only in the places where
wealth and fame abound -
And so we go on searching
in "palaces of pleasure"

Seeking recognition
and monetary treasure,
Unaware that happiness
is just a "state of mind"
Within the reach of everyone
who takes time to be kind -
For in making Others Happy
we will be happy, too,
For the happiness you give away
returns to "shine on you."

VARSITY GOLF SQUAD, L.-R.: Coach Dan Brisker, Steve Oxley, Tim Bartholomew, Donn Mills, Jay Evans, Elliot Swiger, Gary Oxley, Paul Maddy.

The 1975-1976 Canal Winchester Golf Team was young, inexperienced, but yet an enthusiastic group of young men. Hard work and dedication were instrumental in producing a 4-3 league record and 5th place finish, but more importantly foundations were built which will provide greater success in the future.

A young volleyball squad under the direction of Coach Chris Hochrieter continued to struggle this season. The team's biggest opponent was inexperience, not the other team. Champions With Second Consecutive Undefeated Season!

Captain Bill Allen, All Mid-State League Offensive Tackle, All District, 3rd team A.P. All Ohio, cheers the defense on.

Apart from physical ability, class, desire, and skill, attitude makes the difference between a good football team and a great one. Attitude made the difference because it is much more difficult to repeat a 10-0 season than it is to win the original ten. With hopes of a 20-0 record, a second consecutive Mid-State League Championship, and a berth in the State playoffs, the season began on a positive note with a 27-0 victory over the Bexley Lions. Fisher Catholic became victim number two as the Mighty Indians earned a U.P.I. #1 rating. Millersport scored seven of the thirteen points allowed by the most point stingy defense in the state, but they, along with Berne Union and Fairfield Union, went down to defeat. Logan Elm was the first real test of the Indians' ability. The Indians met the test and spoiled Logan Elm's homecoming 30-0. Carroll was undefeated in league play when they came to the annual showdown. In a game played during a torrential downpour, the Indians destroyed Carroll 32-0, thus the scene was set for what had been billed as the "Mid-State Game of the Year," with Picktown 7-0 in league play. In a defensive battle, the Indians won 12-0.

Amanda, the darkhorse of the league, scored, but couldn't control the rampaging offense of the Indians. The Mighty Indians hope of a State Playoff rode on a victory against Liberty Union and losses by Middletown Fenwick and Hamilton Ross. In the mud, the Indians won 16-0, but both Fenwick and Hamilton Ross won. Consequently, after a second consecutive 10-0 season, the Indians did not gain a berth in the State Playoffs. There is little doubt in the minds of anyone who saw the Mighty Indians perform, that there was a better Class A team in the state.

Reserve Continues Undefeated "Tradition"

ROW 1, L.-R.: Jerry Toberen, Rhen Blais, Ty Jordan, Jim Hanley, David Loop, Mark Matyac, David Adkins, John Quick, Kirk Monier.
ROW 2: Mike Zerby, Steve Willard, Marty Weiser, Jeff Crawford, Carl Swartz, Dale Burrier, Bart Smith, Tad DeLong, John Cook, Rick Gates, Coach Jerry Jones.

The 1975 Reserve squad carried on the "tradition" of being undefeated this season posting an 8-0 record. Coached by Jerry Jones who was assisted by Coach Jim Roth the team shutout seven of its eight opponents, allowing only Fisher Catholic to score 14 points in a very grueling game. As with the Varsity, the Key to this year's success was Total Team Defense and an offense that could make the big play when it had to. The addition of this group of young warriors to the Varsity will help make up for the large loss to graduation.

The Freshman squad this year under the guidance of Coach Jeff Helser posted a 0-5-1 record. It is the goal of the freshman football program to teach the fundamentals of football and in the eyes of the Coaching Staff, they learned them well. Having a year's playing experience and with good size and speed they will be a welcome addition to the Reserve unit next season.

Freshman Squad Attains Goal

ROW 1, L.-R.: Joe Bobo, David O'Conner, Marc Bond, Johnny Smith, Mark Badillo, Nick Scott. ROW 2: Jim Wolf, Mike Smith, Rusty Edwards, Mark Weiser, Billy King, Bob Phillips, John Meuser. ROW 3: Coach Jeff Helser, Jay Endsley, Mike Miller, Walter Ball, Todd VanBuskirk, David Smoot, Brain Willison.

VARSITY CHEERLEADERS, L.-R.: Peggy Fox, Melissa Black, Debbie Crist, Lori Hardwick, Jami Padgett, Cindi Hunter.

HI!!

For a cheerleading squad to do its absolute best it takes hard work, dedication, a genuine interest, and perhaps the most important of all, friendship. This year's squad had all of these qualities. The cheerleaders really added to the greatness of the season as they decorated the locker room and hallways weekly and came up with pep rallies that had a little extra "pizzazz." It's no wonder that our cheerleaders were granted the "Spirit Stick" day after day at cheerleading camp, because they were "Fantastic."

RESERVE CHEERLEADERS, L.-R.: Tonya Barnhart, Belinda Haynes, Denise Kiser, Sandy Hayes, Sheri Juniper.

Indians Win Sectionals!

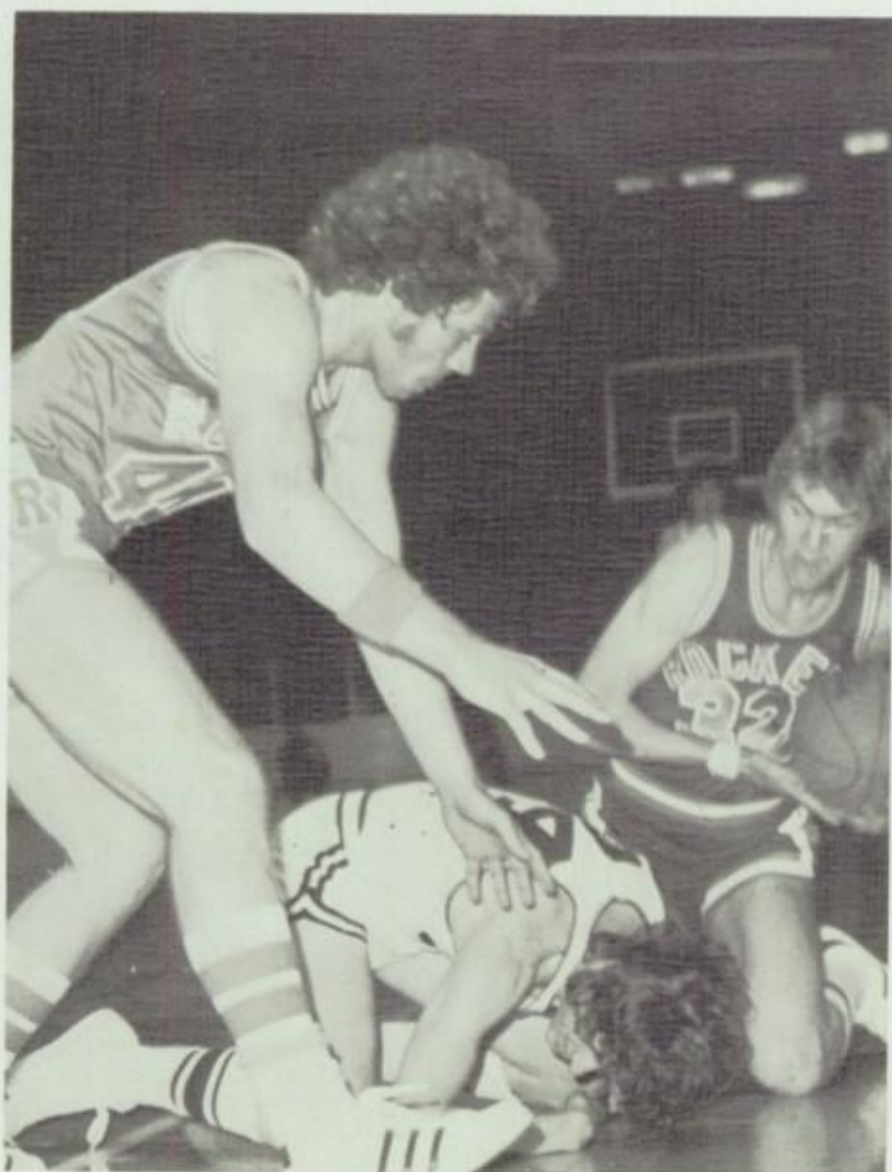

There was never a greater challenge facing a Canal Winchester Basketball Team as the one facing the 1975-76 Indians. Following one of finest teams in the school's history, without any returning starters, this Indian team wrote another splendid chapter in Canal Winchester's esteemed basketball history.

Desire, pride, faith, unselfishness, and hard work are all cliches that could be used to describe this team. The team had play and poise. Guys who were stars in other sports came off the bench to help win games. Our senior captain showed outstanding leadership throughout the season. The big men played with increasing pressure as games became bigger. This team, from captain to the last man on the Rat Pack finished 2nd in the Mid-State, won the Sectional and finished runner-up in the District. The Indians were a total team and therein was the secret to the seasons success.

Scenes From The 1975-76 Girls Basketball Season

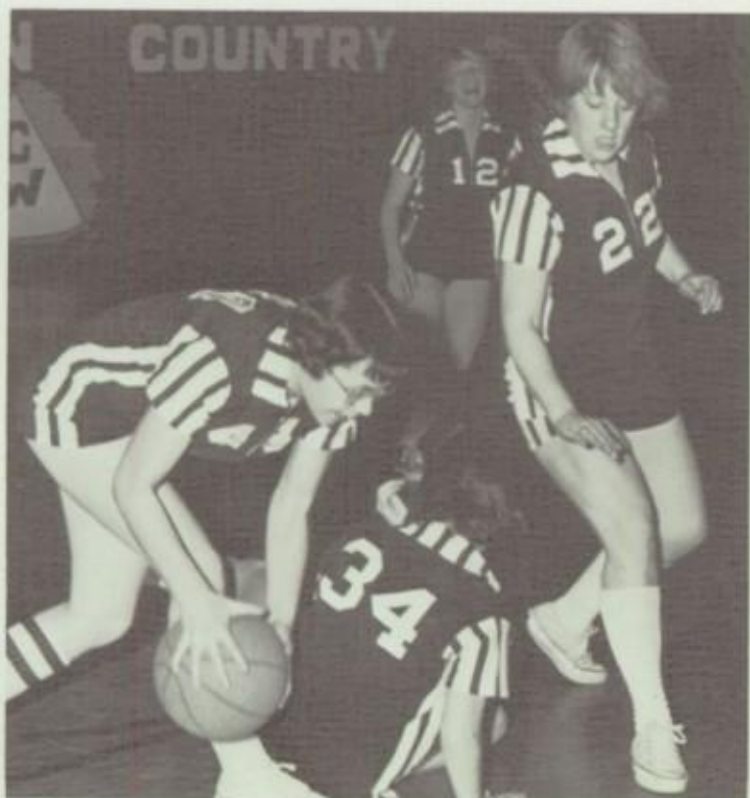

This year's basketball season, recordwise, was an improvement over previous years. Though lack of confidence was a problem, the girls' capability of hustling, rebounding, and playing good defense proved to be the big pluses during the season. Perhaps the greatest achievement of this year's squad was that the girls grew closer together as a team and as people.

Coach Susan Thomas and Captain Chris Cheadle overlook the action on the court.

The 1976 Baseball season began with mixed expectations. The pitching staff was questionable but hitting and defense seemed to be strong points. The Indians, coached by Denny Dickensheets, lost the first Mid-State League contest to Pickerington 5-2, but made the league title contenders sweat in doing so. Powerhouse Fairfield Union fell victim to the Indians in a 9-8 squeaker. As the season progressed, the pitching and hitting came through but the defense was poor and averaged four errors a game. The defense proved to be the Indians' downfall as they lost numerous close games as the direct result of an error. Finishing the season 8-15, the Indians ended up in sixth place in the Mid-State League.

COACH JEFF HELSER

The C.W. Girls' Softball team had fun and learned alot, but unfortunately, ended with a disappointing season. The new team under a new coach, Mr. Jeff Helser, met with many teams having more experience and skill. A few of the games, while close, were lost by errors and a poor offensive showing. Next year, with a better acquainted coach and team and most of the experienced players coming back, the team should see an improved season.

Mark Hays, Discus and Shot Put, lets one fly.

The 1976 Track season was the best of recent years and indicative of seasons to come. Though the Indians finished a somewhat disappointing fourth in the Mid-State Meet, they proved their abilities elsewhere. Three school records were broken, Ty Jordan throwing the discus 149', Ross Miller timed in the two mile run at 10:23, Scott Jordan pole vaulting 13'6", and Rhen Blais tied the existing school high jump record of 6'3". The Mighty "Cinders" won the Milton Will Invitational for only the second time in the meet's eighteen year history. Besides that they finished; 2nd in the Sectional Meet, 3rd in the Central District Meet, 3rd at the Groveport Invitational of AAA schools, 3rd at the Fairfield Union Invitational of eighteen schools. The Indians sent several trackmen to the State Meet with Ty Jordan placing 3rd in the discus, Scott Jordan 6th in the pole vault, and Dan Crist 9th in the shot put. With a large group of sophomores and juniors, and only five seniors, the Indians will be a major contender in the Mid-State and the State in coming seasons.

This year's Girls Track Team had a lot of individual success as each girl put forth a lot of effort. Hard work, determination, and sportsmanship proved to be the key, as nine previously set records were broken, including shot put, hurdles, 100 yd. dash, 220 run, 440 run, 440 relay, 880 relay, 880 medley, and the mile relay. The girls placed 5th in the Mid-State Track Meet and did well in the District and Sectional Meets. The greatest disappointment of the season was that no one qualified for the State Meet. But next year's track season should be very promising as eighteen girls will be returning.

A Year To Remember . . .

This past year has indeed been a year to remember. Canal Winchester's students, faculty, coaches, and directors have excelled academically, musically, and athletically. Moments we have shared in and around the school have become moments to remember. As a yearbook staff, our purpose is to form a collection of pictures and words, with which to recreate these memories.

We offer this collection to you, and encourage you to remember - to relive in your mind - the people, the friends, and the great times of 1975-1976 which this Pepenauus represents.

Involvement was the main idea behind the Student Council this year as they encouraged students to express their opinions in an evaluation of the school system. Important views of curriculum and activities were brought out due to this involvement.

The council was also active in other areas. They sponsored the 1975 Football Homecoming Dance, operated elections for Queen and Court and class officers, and donated money to the Sophomore Class.

Eighteen Saturdays of doughnut sales proved the key to financing the Spirit of '76 trip to the Nation's Capital. Members also held bake sales, cake raffles at basketball games, a car wash, and raffled a Bicentennial rug.

The hard work proved well worthwhile, for the 5-day trip to Washington, Mt. Vernon, Monticello, and Pipestem, West Virginia, was an experience for everyone. Nineteen students and their advisor - by foot, by "Budge," by Continental Trailways - became closer to their government and each other through a trip never to be forgotten.

'75 Marching Indians Are Number One

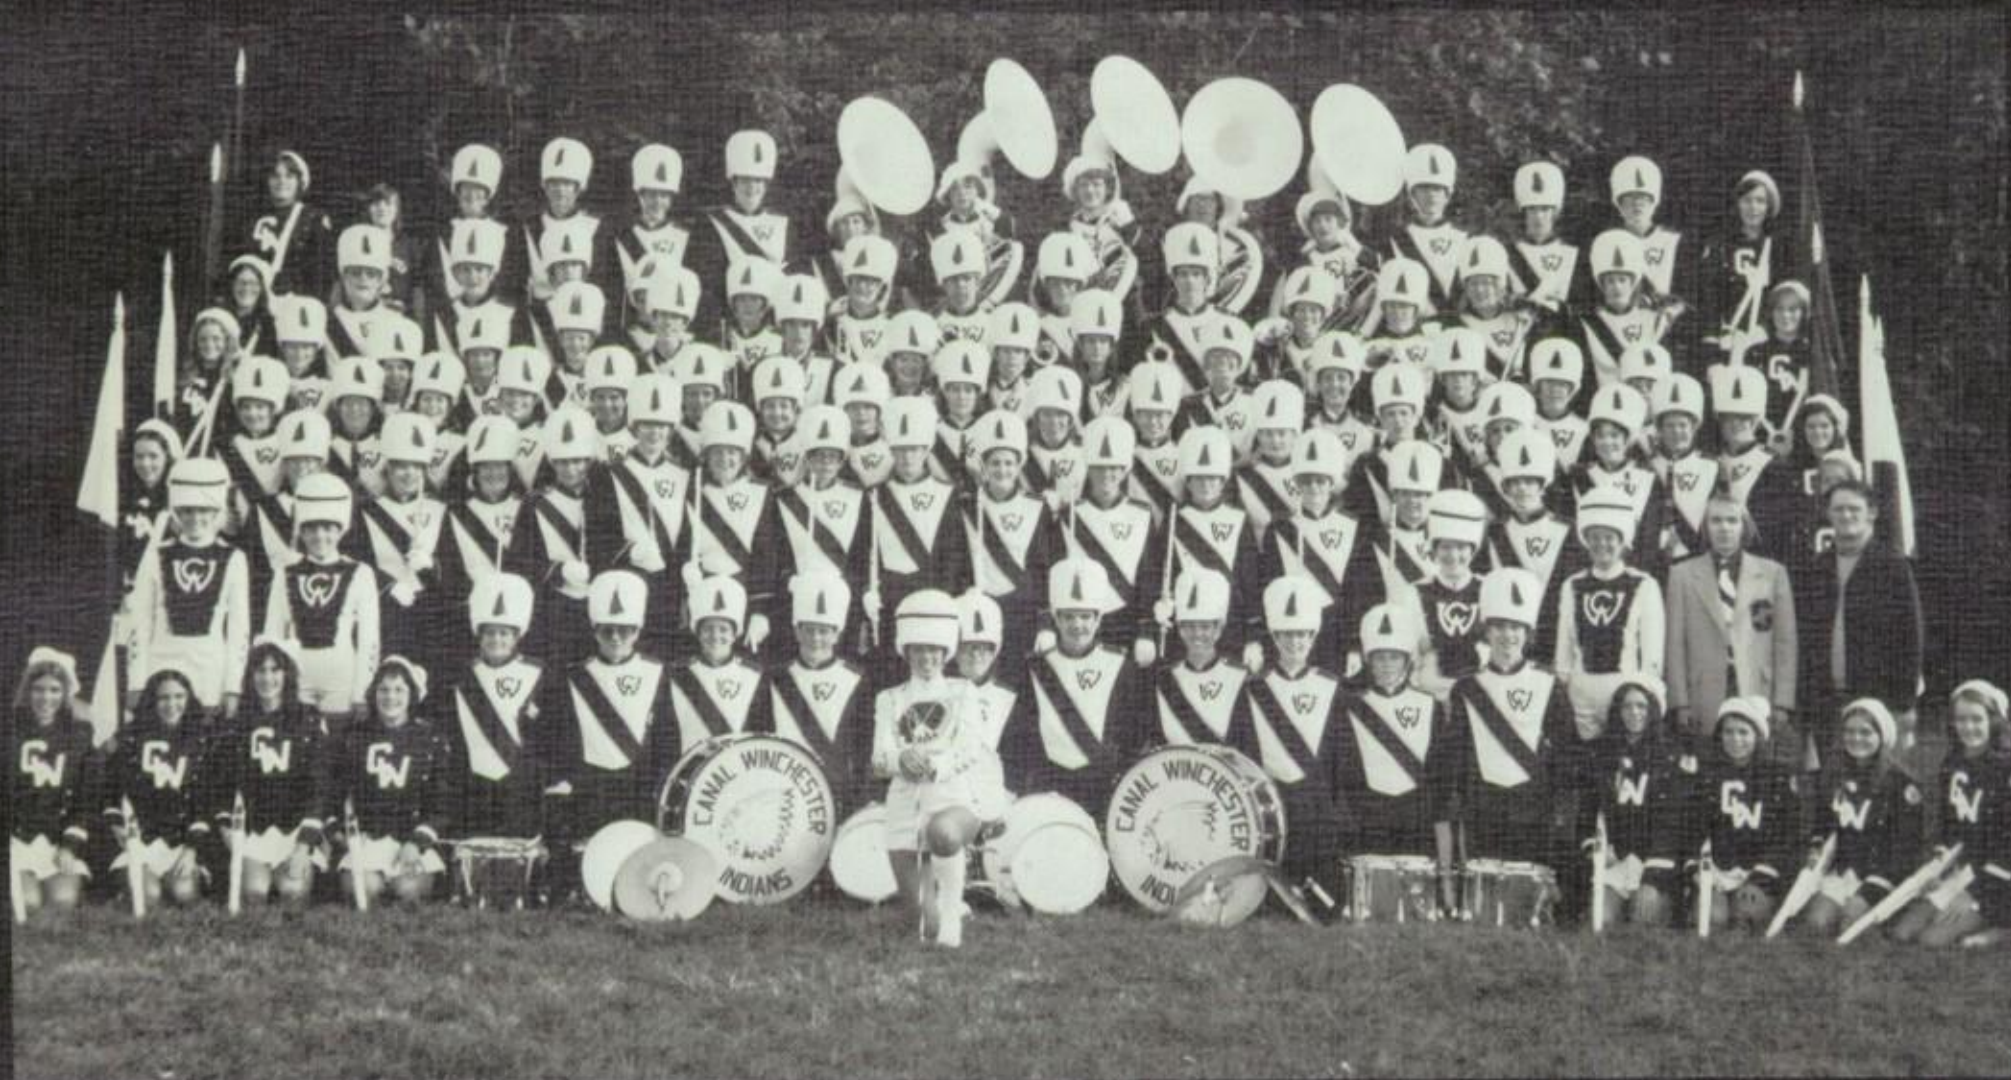

The '75 champion marching band started in June. Playing rehearsals, Bexley's Fourth of July parade, a concert at Orient, majorette camp, Millersport Sweetcorn Festival, band camp . . . 102 kids working to put together a #1 marching band - the best.

Autumn days were filled with endless band practices (in the mud and rain), playing "Long Train," "Celebrate," or "Bugler's Dream" for the team at practice, pep rallies, parades, contests, and football games. After the games, the band played in 10 victory ramps - and 10 locker-room celebrations. Following the final Liberty Union game, the team and band joined in an impromptu parade through the streets of Canal Winchester to celebrate a perfect undefeated season.

Three band contests meant harder practices, changing the half-time show, Mr. Baker wanting you everywhere "5 minutes ago." First Place at Zanesville meant we were better than Berne Union - we were the best. The Marching Indians also placed second, .4 points behind the winners, at Athens Band Contest. At this contest C.W.'s gun corps won the trophy for "Best Drill Team."

The band's last performance of the season was the Pops Concert. All the year's great songs and majorette, gun, and flag routines were performed for the last time by the '75 marching band.

For the Marching Indians . . . this truly was a year to celebrate.

The Girls' Ensemble and Swing Choir had a new and greater sound this year. Voices blended well together to form a much fuller sound, and male voices could be heard in the Swing Choir for the first time.

Both groups performed in concert throughout the year, featuring many solos and duets by the talented singers. In the Spring, many members held important roles in the musical, *Carousel*. The students also visited other schools to learn about their music programs.

The choirs are under the direction of Mrs. Suzanne Patterson.

Service . . . Key To Library Service Club Philosophy

Service was the main purpose of the Library Service Club and Bookstore in '75-'76. The two organizations were involved in many activities which were beneficial to the student body of C.W.

All school workbooks, paperbacks, and other items are sold at the bookstore. The workbooks are sold at cost, and in a much smoother way than is possible in the classroom. The bookstore is operated by students each period, and all profit from school supplies goes to the Library Service Club.

Movies, bookfairs, and the fourth annual Communicative Arts Contest highlighted the activities of the Library Service Club. The organization also contributed to the Ruth Lyons Christmas Fund and the relief fund for victims of the Guatemalan earthquake. Student library assistants form the service club, and they perform many essential tasks in the Media Center each day.

Varsity W Forms UPI Rating

The 1975 Varsity Football team was rated 1st in the UPI Class A Poll, and the members of the Varsity W will never forget it. The club is made up of varsity players from the golf, basketball, track, and baseball teams, as well as the football team at CW. Once players have earned their varsity letter, they apply to this organization and must be voted in by a majority of the members. G.A.A. Reinstates Point System

The Girls' Athletic Association reactivated the point system this year. Points are earned by supporting or participating in the athletic program at C.W. A high point award was presented at the spring banquet to the senior girl who had accumulated the most points.

The G.A.A. held activity nights on Wednesdays. Other major activities included a campout, ice skating, and a "Farmer Brown's" jean dance. The association also operated the concession stand for baseball and track.

Spanish Club Learns By Participation

Members of the Spanish Club learned about the Spanish language and culture by participating in several outside festivals, fairs, and tests. Students took the National Spanish exam and attended a Language Festival at Otterbein College, in which they entered competitions.

The club financed its expeditions and a Spring dinner by selling candy, datebooks, and candles. Spanish Club is open to any student taking Spanish at CW.

The Spanish Club's advisor is Mrs. Elisa Zanner.

Science Club Constructs Solar Heater

Members of the Science Club looked to the future as they constructed a solar water heater. The students worked on the project after school and on Wednesday nights, and completed it shortly before the end of school. Parts for the heater were donated by General Electric and the Science Club.

Seventeen students - nine seniors and eight juniors - were inducted into the National Honor Society on Friday, April 2.

Seniors with at least a 3.2 average and juniors with at least a 3.4 are eligible for the Society and are then evaluated on the basis of their scholarship, character, leadership, and service.

At the induction ceremony, the seventeen inductees were tapped by the old members and presented with the traditional yellow roses. Dr. Lillian Pierce was the guest speaker for the Society. Parents later pinned their child, after which a luncheon was held at the York Steak House.

Other activities included a Christmas luncheon for the two-year members and a Spring picnic at Rising Park.

Sharon Babbert, David Wynkoop, Chris Cheadle, and Kurt Swiger recite the prerequisites of the National Honor Society at the Spring induction.

SCHOLARSHIP . . . reflects knowledge of self and others, and the ability to use it wisely.

CHARACTER . . . is the combination of our morals, disposition, and attitudes, and is our presentation of ourselves to others.

LEADERSHIP . . . to be a leader to others, we must first be a leader to ourselves, and stand firm in our beliefs.

SERVICE . . . is the free gift of our time and ourselves. It is priceless in value and infinite in need.

President Bill Griffith introduces Dr. Pierce.

Concert Band Rates Superior At State Contest

April 30, 1976, at Bexley High School, approximately 8:00 p.m. . . . the Canal Winchester Concert Band received its fourth consecutive superior rating at State Band Contest. This marked an unprecedented accomplishment, and reflected the excellent musical ability and determination of the band and its director.

Concert band is a completely different musical experience than that of the Marching Indians, but the quality is superior in both. It is much harder for the group to get excited about a concert than for a football halftime. For this reason, the concert band's record of superior ratings is a tremendous achievement. Following a superior rating in District competition at Upper Arlington High School, the band continued to work. If there was a letdown of concentration, determination, or work, an accomplishment of such magnitude would be unattainable.

The President of the United States was also a part of the concert band's activities this Spring. The group performed for President Ford at the Statehouse, and Mr. Baker declared that he would run for President if the band received a I at State Contest. The Concert Band came through with flying colors, as they always do, but it remains to be seen if the director comes through on the National Ballot.
